

My name is **Gareth Wright**, and I am a professional graphic designer with 20 years of experience in creating visually compelling designs that help businesses stand out. In today's competitive market, effective visual communication is essential. I offer a wide range of graphic design services tailored to meet your specific needs

I have had the pleasure of working with diverse clients across various industries, and I pride myself on delivering designs that are not only aesthetically pleasing but also strategically aligned with your business goals.

Here are a few reasons why you should consider working with Gareth Wright Design:

**Personalised Approach:**

I take the time to understand your brand and objectives, ensuring that the designs I create resonate with your target audience.

**Quick Turnaround:**

I understand the importance of timely delivery and strive to meet your deadlines without compromising on quality.

**Affordable Pricing:**

I offer competitive rates without sacrificing the quality of my work.

At Gareth Wright Design, we understand that graphic design isn't only about selecting the perfect fonts, choosing the ideal colours, and making stunning layouts, but also about encapsulating your brand's unique culture and values into tangible creative pieces.

We work closely with clients to design compelling, brand-aligned projects. From infographics and posters to social media graphics and logo design, we have experience creating projects for a wide range of companies that convey their individual brand's ethos and mission.

We understand that each project needs to be handled differently, and work to ensure that every piece of work communicates its own individual message, culture, and value.

# BRANDING IS A MUST FOR ALL BUSINESSES

Branding is a major part of the business experience.

Without branding your business is just another shop window with no identity.

It is what gives you a reputation and ultimately, a future.

**When you order a logo from Gareth Wright Design, you will receive:**

- A comprehensive PDF showcasing the logo, mockups, font selections, and a detailed color breakdown.
- A full set of files, including AI, PDF, PNG, JPG, and EPS formats.

These files are tailored to meet all your branding needs, from print and apparel to web and social media use.

## WAGGYTAILS DOG ACADEMY

The logo for Wagtails Dog Academy captures the essence of a friendly and professional dog training service. With a clean and modern design, it incorporates the image of a dog and mortar board, symbolising, companionship, and learning.

## DETAIL VALETS

The logo for Detail Valets is a sleek, modern design specifically crafted to grab attention at first glance. Its eye-catching elements are thoughtfully integrated, making it stand out in a visually competitive environment.

# ARE YOU LOOKING TO PROMOTE?

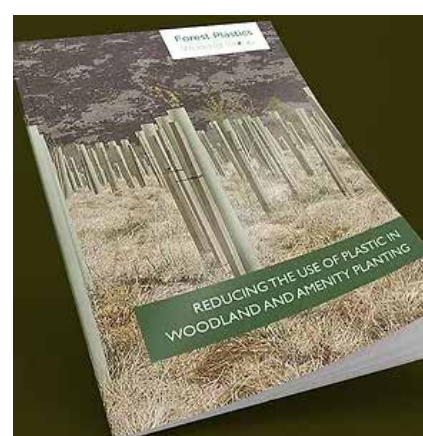

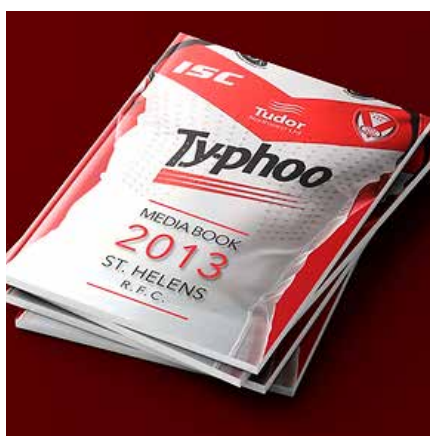

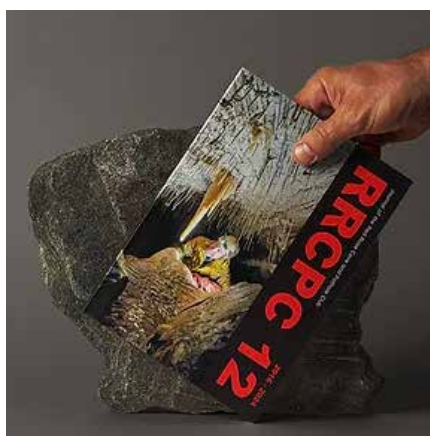

We cover all types of print and digital design from advertisements, flyers, leaflets, posters, banners, and much more. These are important in promoting your business or event. # TESTIMONIALS

I used Gareth as I had been looking for ages for the perfect logo for my aesthetic business. I lost all trust in messages on social media worried that I would get scammed. I looked online and Gareth came up straight away, replied very quickly and his prices are amazing. A very happy customer who loves her logo

## Beauty Dolls

Amazing company! Always gives the best value for money. Great design work and highly professional. I have given several projects to Gareth and he has always delivered great service. Highly recommended!

## Uma Gally - Director: Creator

Gareth has designed the logo for my business 'Kerry Rose Lifestyle'. I am extremely pleased with it and it is now the branding for both my business cards and business page. Gareth was very patient and listened to my opinions about my choice of design. I highly recommend Gareth's services.

## Kerry Rose

Fantastic Service. They can't do enough to help and are very charitable. I would definitely recommend.

## Gemma Louise Whittaker: [www.infinitycic.uk](http://www.infinitycic.uk)

Gareth was easy to correspond with about the design job he completed for our non-profit. He completed the job very quickly and provided a product that is professional and visually appealing.

## Clare: Diversion Alert

Great service - Quick turnaround! I was very fussy/pernickety about what I wanted. I ended up going for something completely different from what I had initially thought I wanted. I love my logo & business card design! Thanks so much.

## Sweetheart Nannies: [www.sweetheartnannies.co.uk](http://www.sweetheartnannies.co.uk)

We want to thank Gareth for the work he did in helping to craft our logo. Our group only had a vague idea of where to begin, and with the creative vision of Gareth, we were able to move forward and finish with a terrific design!! Bravo and many many thanks!

## Brian: Caset (USA)

Gareth's design work is truly outstanding. The quality was professional-grade and Gareth offered a wide range of creative solutions in a remarkably fast turnaround time. A great overall experience - I highly recommend it.

## Kevin McMahon, Founder Art-Heroes.org (USA)

I have worked with Gareth for many years and honestly have never met anyone with such a strong passion for design. He is driven, meticulous, and precise in his work. He always works to and is capable of meeting a deadline and is very easy to work with. I recommend Gareth for any design brief as he can turn his hand to most disciplines.

## Luke Bradshaw Design & Marketing Manager: Europasonic (UK) Ltd

Gareth is a great designer with a professional outlook in his approach. He has worked extensively on my brand propositions and helped to broaden the creativity my company can provide. He has in-depth knowledge of editorial design and print, delivering countless amounts of design work for both online and offline publications. I would most certainly recommend Gareth to anyone that required design work.
